1998 CIAU Inaugural Women's Ice Hockey Championship February 26 - March 1, 1998

Dear Concordian,

The best in university women's ice hockey is coming to Concordia University, February 26 - March 1, 1998. The inaugural Canadian Interuniversity Athletic Union women's ice hockey championship will be held at the Concordia Arena on the Loyola campus. This prestigious event will take place right after the Nagano Winter Olympics, where women's hockey will be an Olympic sport for the first time. Interest in women's hockey should be at an all-time high. Concordia University has been a leader in women's ice hockey and now we have been asked to light the torch for present and future championships.

As a member of the Concordia community we would like to invite you to purchase one or two Tournament Passes.

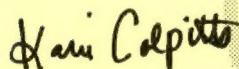

Please fill out and return the attached order form and feel free to copy this information and pass it on to friends of women's ice hockey and/or Concordia University.

Come see the future stars of international hockey. The road to the 2002 Winter Olympics in Salt Lake City begins at Concordia this February. Be There.

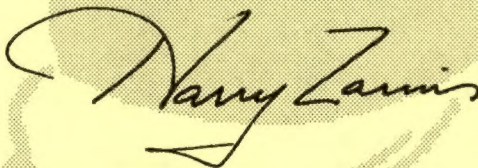

The Gold Medal game will be televised live across Canada on The Sports Network. Come out and show the nation that Concordia truly is the home of women's ice hockey.

Your support of this national tournament and the Concordia University women's ice hockey program is appreciated. The last day to purchase tournament passes will be February 15, 1998.
